

Black Swamp Bird Observatory Presents...

How (and Why!) to Sell the Federal Migratory Bird Hunting and Conservation Stamp (Also known as the "Duck Stamp")

HOW TO SELL THE STAMPS

- Order from Amplex Corporation 1-800-852-4897
- Stamps are \$25.00 and non-taxable
- Federal Duck Stamps come in books of 25. Make sure to cut the corner of the package only (along dotted line) and count to make sure there are only 25. If the package is completely open and there are less than 25 they will not refund. If there is not exactly 25, call Amplex at the number above and they will instruct you on what to do next.
- Duck Stamps are sold as a consignment item. All unsold stamps and payment for those sold must be sent back to Amplex no later than June 15, of the following year, sent via certified mail with return receipt requested. Return only stamps for that year. (Amplex will send you all of this information when you order the stamps.)
- They supply promotional signage. Just ask for them.

WHY SELL THE DUCK STAMP

- Ninety-eight cents out of every dollar generated by the sales of Federal Duck Stamps goes directly to buy or lease wetland habitat for protection in the National Wildlife Refuge System, making the Federal Duck Stamp Program one of the most successful conservation programs ever created! Since 1934, sales of Federal Duck Stamps have generated more than \$800 million, which has been used to purchase or lease over six million acres of wetlands habitat in the United States. These lands are protected in the U.S. Fish and Wildlife Service's National Wildlife Refuge System.
