Birding At Home: Warbler Research Series 1

Data Collection Worksheet

Using the BSBO Birding At Home: Online Bird Research Toolkit, find and document all 16 warbler species and enter the information into the data sheet below. Once you have completed the data collection worksheet, please enter and submit your data using the online submission form. The online submission form can be found on the BSBO Birding At Home page: <https://www.bsbo.org/birding-at-home.html>

Participants who submit a completed data sheet will earn a place on the
BSBO BIRD ID WALL OF FEATHERED FAME!

Note: If you do not have access to a printer, you can record this data on a sheet of paper and enter it into the online submission form once the data has been collected.
